

Holloway Bay Road added to parking restrictions in effect for Port Colborne

Port Colborne, ON (June 23, 2021) – With increased traffic to Port Colborne’s Lake Erie shoreline, Holloway Bay Road has been added to the list of parking prohibitions in effect until October 31, 2021.

Beach season is here, and the City has implemented various parking prohibitions on a number of roads leading to the Lake Erie shoreline. This is to ensure the proper movement of traffic, safety of the public, and to avoid overcrowding at road allowances. As Council and City staff continue to navigate the busy summer months, daily operations may change based on resident concerns and the health and safety of the community. These changes will be communicated accordingly.

Residents and visitors are encouraged to enjoy the local beaches this summer. However, safety will always be a top priority. Parking restrictions will be enforced by By-law Services and more information can be found on the City’s [website](#).

Below is a complete list of all roads and Firelanes where parking will be prohibited. **Please note parking on private Firelanes is also prohibited.** By-law officers will enforce violations daily and issue tickets accordingly.
